### RECESS ATTIRE

As we approach the cold weather season, remember to send appropriate outdoor attire with your child. Warm coats, hats, and mittens are necessary gear for recess.

Once snow flies, boots will be needed, too. Policy states students go outside unless a doctor's note is provided. When wind chill is colder than 10 degrees, recess is held indoors.

## PTO GIFT CARD FUNDRAISER

Gift card order forms went home with students at the end of October and are due Nov. 7th. Delivery will be prior to Black Friday. These make great gifts for holidays...and help your child's school at the same time! Extra forms can be downloaded from the North/South website!

We are  
Thankful for  
YOU!
